SUMMARY

Marketing and brand manager who owns the whole arc — strategy, creative, and delivery. Three years leading product launches, brand strategy, and integrated campaigns across agencies and in-house teams, including global B2B clients such as Mitsubishi (via EMG). Currently runs brand and marketing end to end for a design and architecture studio in Amsterdam: brand positioning, campaign management, creative direction, analytics/MarTech, content, and team leadership. Trilingual, agency-trained, and effective across both strategic and hands-on delivery work.

CORE SKILLS

Brand Strategy & Positioning · Campaign Management · Account & Client Management · Creative Direction · Content Strategy & Copywriting · Email Marketing (ActiveCampaign) · Analytics & MarTech (GA4, Google Tag Manager, Google Ads, Algolia) · SEO (SEMrush) · CRM (MS Dynamics, HubSpot) · CMS (WordPress) · Project Management (ClickUp, Microsoft Planner) · Team Leadership · Budgeting & Pricing · Product Management · Media Production & Video Editing (Premiere Pro, CapCut) · Adobe Creative Suite (InDesign, Photoshop, Illustrator) · Photography · Market & Competitive Research · Basic GitHub

EXPERIENCE

NOWN — Marketing & Brand Manager

Jan 2025 – Present · Amsterdam

- Own brand strategy and market positioning across EMEA; align marketing with commercial goals.
- Lead multi-channel campaigns and creative direction for product launches, including full end-to-end management of the Veil product line as Product Manager (assigned by the CEO).
- Run market research, lead generation, and analytics/MarTech (GA4, Google Tag Manager, Algolia) to guide decisions and track impact; recovered blocked tracking data and built behavioural-data instrumentation for site search.
- Manage creative teams, web developers, and production; built and maintain the company website (WordPress) and internal workflows.
- Partnered with production and suppliers to source recycled/sustainable materials.

EMG — Account Executive

Sep 2023 – Jan 2025 · Amsterdam

- Managed relationships for a portfolio of global B2B clients across chemicals, energy, and industrial sectors, including Mitsubishi.
- Coordinated internal and external stakeholders to meet timelines and KPIs across simultaneous trade-show and campaign deliveries.
- Delivered digital marketing reports and post-campaign reviews to inform strategy.
- Took on budget allocation, utilisation tracking, and pricing across accounts, stepping up above role scope when the manager transitioned.

ChatLicense — Marketing & Content Specialist

Mar 2023 – Sep 2023 · Rotterdam

- Developed and executed social media and content strategy across LinkedIn, TikTok, and in-app.
- Produced marketing materials and blog content tailored to user insights and engagement metrics.
- Conducted market and audience research to support brand growth and positioning; ran user testing with schools across the Netherlands.

Wright Brothers Flight Technology — Marketing Executive

Sep 2022 – Feb 2023 · Hoofddorp

- Managed marketing plans, social media, and event planning within a sales & marketing team.
- Ran digital campaigns; created and scheduled content to strengthen outreach and engagement.
- Supported data-driven planning and post-campaign analysis to improve ROI.

Joolz — Branding & Communications

Mar 2022 – Aug 2022 · Amsterdam

- Assisted in brand development and visual communication strategy for a premium, design-led lifestyle brand.
- Supported event coordination and campaign production in line with brand identity.

World's Fair Trade Organisation (WFTO) — Social Media Intern

Mar 2021 – Oct 2022

- Managed digital campaigns promoting global fair-trade initiatives.
- Created and scheduled content to strengthen outreach and stakeholder engagement; supported data-driven planning and post-campaign analysis.

EDUCATION

Erasmus University Rotterdam — BSc International Media & Communication

2019 – 2022

Specialisation: Media & Business

Alshomoukh International School (British Curriculum) — High School

2015 – 2019
